

Fast Food Display CD-Rom

The Nutrition Council's Fast Food display is an educational visual to help consumers make healthier fast food choices. The Fast Food Display CD-Rom provides the tools you need to make your own Fast Food Display. Each CD-Rom contains step-by-step instructions, 18 fast food cards, and consumer fact sheets. Once assembled, the cards can be used separately, or as a table top display. For more information about the kit or display, please contact the Nutrition Council at 513-621-3262.
